

# APPLICATION CHECKLIST

Thank you for your interest in applying to the Kaiser Permanente Bernard J. Tyson School of Medicine for the **2025 – 2026** school year. This checklist will help you prepare for and complete the application process.

Applying to medical school entails many complex and time-consuming tasks. You will not necessarily complete each of these tasks in chronological order, and that's OK. The important thing is to meet all deadlines. Adhering as closely as possible to the schedule will put you in the best position to meet these critical dates.

For additional details and helpful resources, view the [Application Timeline](#).

## BEFORE YOU APPLY

- Complete prerequisite courses before you begin your first year at Kaiser Permanente Bernard J. Tyson School of Medicine.
- Register to take the MCAT.
- Register to take the PREview Exam.
- Request and obtain letters of recommendation.
- Order Official Transcripts to be sent to AMCAS.

## REQUIRED PRE-REQUISITES

- Behavioral or social science (e.g., anthropology, economics, ethnic studies, psychology, sociology): one quarter or one semester
- General biology with laboratory: three quarters or two semesters
- General or inorganic chemistry, or equivalent, with laboratory: three quarters or two semesters
- General physics with laboratory: three quarters or two semesters
- Humanities (e.g., art, English, history, literature, philosophy): one quarter or one semester

## RECOMMENDED PRE-REQUISITES

- Organic Chemistry and Biochemistry
- Calculus
