- LIC 1A (FM/IM)
- Service-Learning

**SEMESTER 2**

**Integrated Sciences (IS) 2**
- Gastrointestinal, Endocrinologic, Metabolic, Genitourinary, Reproduction

**LIC 1A (FM/IM)**
- Service-Learning

### Year 2

**SEMESTER 1**

**Integrated Sciences (IS) 3**
- Core Clerkships (CC)
- Service-Learning (SL)

**SEMESTER 2**

**IS 3**
- CC

**IS 4**
- CC

### Year 3

**SEMESTER 1**

**Integrated Sciences (IS) 4**
- Fundamentals

**Required Clinical Experiences & Elective Clinical Experiences (RCE/ECE)**
- Integrated Sciences (IS) 5
- Non-Clinical Experiences (NCE)**

**SEMESTER 2**

**IS 5**
- NCE

**RCE/ECE**
- IS 6

### Year 4

**SEMESTER 1**

**Required Clinical Experiences & Elective Clinical Experiences (RCE/ECE)**
- Integrated Sciences (IS) 6
- Non-Clinical Experiences (NCE)

**SEMESTER 2**

**RCE/ECE**
- IS 6

**RCE/ECE**
- IS 6

Required Clinical Experiences & Elective Clinical Experiences (RCE/ECE)

- Integrated Sciences (IS) 5
- Non-Clinical Experiences (NCE)**

**Step 1 Prep (6 Weeks)**

**IS 1**
- Gastrointestinal, Endocrinologic, Metabolic, Genitourinary, Reproduction

**LIC 1A (FM/IM)**
- Service-Learning

**IS 2**
- Renal, Cardiovascular, and Pulmonary

**LIC 1B (FM/IM)**
- Service-Learning

**IS 3**
- CC

**IS 4**
- CC

**IS 5**
- NCE

**IS 6**
- NCE

**Step 1 Prep (2 Weeks)**

**RCE/ECE**
- IS 6

**Residency Preparation**

**Graduation & Residency**

### THE INTEGRATED SCIENCES COURSES INCLUDE:

- Biomedical Science
- Clinical Science
- Health Systems Science

**Students take USMLE Step 1 before mid-September in Year 3.**

**In Years 3 and 4, the Integrated Sciences courses will include intermittent weeks back on campus. Students will analyze cases, hone clinical skills, and learn advanced biomedical, clinical, and health systems sciences content relevant to both the USMLE Step 2 Exam and becoming an excellent physician.**

**ACKT is a USMLE Step 2 CK preparation course that includes clerkship shelf exams. Students take Step 2 CK before January in Year 3.**

**Students take USMLE Step 1 before mid-September in Year 3.**

**ACKT is a USMLE Step 2 CK preparation course that includes clerkship shelf exams. Students take Step 2 CK before January in Year 3.**

**Required Clinical Experiences & Elective Clinical Experiences (RCE/ECE)**

- Integrated Sciences (IS) 6
