

Learning Environment Monitoring & Reporting

*We are committed to fostering a safe and supportive environment for all.
A positive learning environment is crucial to student success and well-being.*

WHY WOULD I MAKE A REPORT?

A positive learning environment is one we have to **cultivate**.

Reporting is a way of providing **feedback**.

Helps us to **monitor** how we are doing and hold ourselves **accountable**.

Highlights **behavior** we want to see, as well as what behavior is not in alignment with our **community agreement**. This provides opportunities for **learning** and **growth**.
